Greetings,

Over the past several years we have increased our evangelistic efforts and God has added to the church weekly and at times daily. A season of harvest is truly upon us and we are preparing for spiritual and numerical growth at East Baltimore.

Your service to God is needed in the Retention & Discipleship ministry:

- The Small Group Leaders/Assistant guides a small group of 1-8 new members through pre-designated material.
- The Welcome Team members provide encouragement through prayer-by-phone and consistent contact.
- The New Members Reception luncheon seeks to introduce all new members to the leadership and ministry leaders.
- The Fishers of Men classes is design to give the new members a structures growth oriented and evangelistic class that further roots participants in spiritual and numerical growth.

We encourage you to pray as you consider working in this great ministry with the opportunity to grow spiritually and create a lasting impact. You can find further information about the ministry by contacting us, if you have any questions.

Keeping Souls Saved,

*Bro. Gregory Claiborne*
